First Class With Distingsion  
Sri Muthukumaram Arts and Science College • 2018–2021

#### Master of Computer Application

Madras University– Distance Education,Chennai. • 2021–2023

#### Frontend Web Developer

Aimore Technologies. • Chennai.

### PROJECTS

#### 1.E-Commerce Website:

Technologies used: HTML5, CSS3, JavaScript.

- The e-commerce cake website I developed showcases a blend of my technical skills and creativity.
- This project included designing a user-friendly menu, an engaging 'About' page, a well-structured footer, and an integrated customer review system.
- I implemented media queries in the CSS to ensure the website seamlessly adapts to different screen sizes.

#### 2.Modern Music Player:

Technologies used: React.js, HTML5, CSS3, JavaScript, Git.

- Designed and developed a Modern Music Player application using React, featuring sleek animated interfaces for an enhanced user experience.Integrated audio playback functionality with a library of 10 tracks sourced from Google, offering users a diverse selection of music. Implemented advanced features including volume adjustment, repeat one track, shuffle, and next track functionalities for a seamless listening experience

#### 3.Stone Paper Scissors Game:

Technologies used: JavaScript, HTML, CSS, Tailwind CSS.

- Developed a responsive and interactive Rock-Paper-Scissors game, showcasing proficiency in front-end web development.
- Implemented game logic using JavaScript to enable user interactions and determine outcomes. Styled the user interface using CSS and Tailwind CSS, ensuring a visually appealing and user-friendly design.
- Demonstrated attention to detail in creating a seamless and enjoyable gaming experience.

### WORK EXPERIENCE

#### Executive – Banking (Reconciliation)

Radiant Cash Management Services Pvt. Ltd. • 1 Year 8 Months

- Compare transactions in the internal register and the bank account to see if the payment and deposit transactions match in both records.
- Reconciliation is used to make sure that company ERP and bank records balance. There should be balance between the money going in the account and out of the account.
